Payment Options

When you receive your Accommodation Contract it will include a Fee Schedule which outlines how much you owe and when payments are due.

Frequently asked questions

1. What is included in the weekly fee?

At Trin we offer an all-inclusive College experience. Your weekly accommodation fees include: three meals per day, utilities, access to programs and events, cleaning, wi-fi and unlike others we offer free parking and have an on-site gym and sports centre.

2. How do I apply?

Once you have decided if you'd like to join the Trin community, the next step is to submit a formal application. You'll do this via the University of Western Australia's College Row Accommodation Portal. An application fee of \$150 AUD is charged, which you'll pay directly to UWA.

You'll be asked to rank the residential colleges in preference order, so be sure to mark Trinity Residential College as number one! Once we've received your application, we'll review it and will contact you to arrange an online interview.

3. Do you accept students from other universities?

Absolutely! We accept students from any tertiary education institution based in Perth. This includes TAFE as well as other local universities.

We just ask that you send us a copy of your academic offer so that we can verify your enrolment.

4. Can I apply for a premium room?

All new students are automatically placed in a Standard Room. This ensures that you are co-located with likeminded students who are new to the College, helping you to have the best experience possible. It also enables us to give back to our long-term residents by offering them the opportunity to stay in a Premium Room ahead of anyone else.

If we have any Premium Rooms left over, we will send an email to all new students who have formally accepted an Accommodation Offer so that they can express an interest.

5. Can I apply for a single semester only?

Yes, you can choose to live at Trinity Residential College for a single semester only, but only in certain circumstances. For example, if you're an Exchange or Study Abroad student who is only in Perth for six-months.

6. What happens during the interview?

The interview is just a quick chat with our Head or Deputy Head of College so we can get to know you. It also provides you with an opportunity to ask some further questions about living at our College or what it's like to study at uni.

After the interview, which will take place online, you'll be advised of the outcome via email. If successful, a formal Accommodation Offer will be sent to you. To accept your offer, you'll need to pay the non-refundable Confirmation Fee. Once this is paid, we'll hold your room and will guide you through your next steps.

7. I've decided to take a gap year. Can I defer?

We understand that plans change. You might have decided to take some time away from your studies to travel, or, you may not have secured a place at your chosen university and need time to reassess.

Simply contact our admissions team and we will work with you to defer your booking. If that isn't suitable, we will then chat to you about our cancellation policy.

8. What are my cancellation options?

If you did not receive an academic offer from a Perth based institution you can cancel your booking penalty free, as enrolment in tertiary education is a condition of your Accommodation Offer.

If you've simply changed your mind and want to live elsewhere, or have received an offer from another Perth uni, your offer remains valid, and you are required to contact us to discuss your cancellation options. If your cancellation request is approved, you may be required to pay an additional six-week penalty.
